

Your ready-to-use

technical support information.

Look inside! Keep this handy!

Desktop Product Support Options

Adobe® support options vary from country to country. Click the region name (see Bookmarks) for your country to find your product support options.

On-line support

Search **Adobe.com support pages** for troubleshooting information and tutorials, sign up for support announcements, participate in User to User forums; and submit feature requests and product issues.

Phone support

Register the current versions of your eligible Adobe product and receive complimentary, person-to-person support on issues related to installation and product defects.

Adobe Technical Support Programs

See Adobe Support pages for access information to the people who know **Adobe products** best. Get peace of mind for a full year along with technical and how-to help directly from Adobe support professionals.

Please note that Adobe reserves the right to make changes to support offerings without notice.
